### I. FUTURE TENSES

#### I.1. Future simple continuous tense

##### I.1.1. Usage

The future simple continuous tense can be used to express an ongoing action in the future by using "will be" and "be going to be". It's also used to show the short action in the future which is happening during or while a longer action is in progress in the future. Indeed, the word "when" can be used to show when the short actions occurs.
